LICENSING & REVIEW

I John R. Toomey, Head of Thrombosis Research
citizen of United States of America
of 709 Swedeland Road, King of Prussia, Pennsylvania 19426
declare that :

Serial Number 09/965,099
titled: Antithrombotic Agents

filed in the United States of America on 26 September 2001

(Check and complete either I or II below)

☒ I. That the above invention was made and conceived by employees of **SmithKline Beecham Corporation**. That the invention was related to the work the inventors were employed to perform and was made within the scope of their employment duties; That the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of **SmithKline Beecham Corporation**. Other relevant facts are

That to the best of my (our) knowledge and belief (and/or) based upon information provided by _____ of _____

OR

☐ II. (For Self-Employed Inventors) That I (we) made and conceived this invention on my (our) own time using only my (our) own facilities, equipment, materials, funds, information and services. Other relevant facts are

(Check III and/or IV below as appropriate)

That to the best of my (our) knowledge and belief:

☒ III. The invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy.

AND/OR

☒ IV. The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

The undersigned inventor(s) declare further that all statements made herein of his or her (their) own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
